

# CornerPost Education Centre

Where everyone matters

Dear Parents/Carers

On Wednesday 3<sup>rd</sup> March we have an animal man coming in to CornerPost. He will be bringing a selection of unusual/different animals to show the children.

It will be an opportunity to learn about these exotic animals, their lifestyle, habitat and eating preferences!!

During the visit there will be opportunity to touch and hold these animals. These sessions will be interactive. To maximise the experience for our pupils they will be put into small groups, so every child receives the same opportunity.

Staff will also be taking part and we expect children will have some interesting stories to tell you at the end of the day.

We would also like to inform you that CornerPost has been given training days for restorative practice. We believe that this will benefit positive changes in our young people which will able faster return to mainstream education.

CornerPost Education Centre will be closed on the 4<sup>th</sup> and 5<sup>th</sup> March.

Sorry for the last notice but we need to take advantage of this fantastic opportunity which will benefit us all.

Thank you for your support.

Regards  
CornerPost Education Centre
